F.A.Q.

CAN I BRING MY OWN FOOD & DRINKS?

- No. All food must be purchased from the many catering options offered by Great Events. Any specific food requests must be approved by Granary Road's event manager. Outside cakes are permitted. Great Events has both full-service bar options, and corkage bar options available.

ARE DECORATIONS, PLATES OR GLASSWARE INCLUDED?

- We invite you to bring your own wedding decor/supplies as we do not have any decor or table settings available. Our Option 1 caterer can supply your linens, glassware, flatware, napkins etc. Our Option 2 caterers provide plastic/paper plates and flatware, so if you would like glass (etc.) you will need to rent them from a third-party rental company.

ARE TABLES AND CHAIRS INCLUDED?

- Yes! We provide 16 rectangular wooden farm tables and chairs for up to 120 guests. The ceremony space includes 20 custom benches.

IS THERE AIR CONDITIONING OR HEAT?

- No, our facilities do not have air conditioning. You may bring fans, but with the walls off there is usually a nice breeze in the Stable Garden. There is no heat in the Stable Garden so you may bring small space heaters at the Event Manager's discretion. It is important to note that this is an outdoor venue.

DO I HAVE TO SET UP AND TEAR DOWN?

- Yes, you are responsible for setting up all decorations and leaving the space the way you found it. We will provide you with a clean space with tables and chairs, along with garbage's. You are responsible for setting up your desired floorplan. At the end of the night, all garbage must be cleaned up and the must be returned to where you found it. Doors locked by 1:00am. There is nothing to be left behind as often we have events back-to-back.

CAN WE LEAVE OUR CARS OVERNIGHT?

- We offer a complimentary reserved section of the parking lot for your guests. Granary Road does not condone drinking and driving, so your guests may leave their cars overnight in the

parking lot as they taxi home. They may pick up their vehicles during business hours the following day. No camper vans, third wheels or overnight accommodation permitted.

CAN I SET UP EARLY?

- Wedding packages include access to the venue between 9:00am to 5:00pm the day before your wedding.

IS THERE EVENT PLANNING SERVICES?

- No, Granary Road is simply the venue. It is your responsibility to coordinate with the caterer, bartender, and all of your other vendors. You must inform the Event Manager of your caterer selection, guest count, and floorplan prior to the event, and day of itinerary.

WHAT IS THE BOOKING DEPOSIT?

- To secure your date, we require a \$500 non-refundable deposit.

WHAT IS THE PAYMENT PLAN?

WHAT IS THE RAIN PLAN?

- The ceremony space overlooks the beautiful rolling hills in the Foothills. In the case of inclement weather, both the ceremony space and the reception will be in the barn-like structure that is the Stable Garden. Make sure to check the weather/wind minimum and give us 3 days before the wedding if you want any changes to the walls. (\$500 wall change fee will apply)

DO TAXIS OR UBERS COME OUT HERE?

- Although we are outside of Calgary City limits, Ubers and Taxis do drive out to Granary Road. We recommend calling a taxi company ahead of time letting them know that you are hosting a wedding with us, so they keep some cars available for you. We also recommend giving them around 45 minutes to arrive.

What happens if we must cancel our event?

- **Cancellation** - In the event that something unforeseeable happens after signing your contract, and the event must be cancelled or postponed, the initial deposit will be forfeited; however, if the event is rescheduled at a later date with Granary Road the deposit will be applied to the new date. The deposit itself is 100% non-refundable. Rescheduled events will be subject to any changes to pricing that may be different from original booked pricing.
